# VOGUE

A black and white photograph of Kaya Miller, the cover star of Vogue June 2024. She is wearing a wide-brimmed hat and a patterned blazer, posing dramatically with one arm raised. The background is dark and moody, with strong lighting highlighting her features and clothing. The magazine title 'VOGUE' is at the top, and the date 'June 2024' is to its right. Various headlines are scattered around the cover, and a barcode is visible on the right side.
